Sponsorship terms:

I know that the ILBBQF organizing committee does not provide a tent for space, as sponsors. It is my obligation to design and decorate befitting my marketing plan, and creativity is encouraged. The ILBBQF must approve design and decoration of the display/tent 15 days prior to the event. The ILBBQF committee will print your company marks and logos in the ILBBQ printed materials provided that the art work is submitted in a timely manner.

By signing this agreement you agree that The Lake Placid NY – I Love Barbecue Festival will receive the agreed sponsorship fee whether or not you decide to have greater participation in the event.
